## WHAT IS THE "CURSO NACIONAL"?

It is a meeting point for parents, children and teachers: those of us who live the Suzuki Method in Spain and some friends we receive from other countries.

It is a place for young and old, a place of coexistence, where we will have the opportunity to receive and observe classes from international Suzuki teachers, participate in activities and share our passion for music.

### There is a place for everyone:

For babies, Suzuki children who are just starting out and for those who have been learning for a few years, respecting the rhythm and character of each one in the different registration modalities.

For accompanying persons, parents or siblings, with complementary activities.

For teachers who want to consolidate or extend their training by observing the different ways of applying the Method and the acceptance and involvement of families..

## 10 ENCUESTRO NACIONAL DE GUITARRAS SUZUKI

Is the Tenth edition of the NATIONAL SUZUKI GUITAR MEETING and we are going to celebrate it together.

In the last days of the course, we will be able to enjoy the guitar as a protagonist, and the guitar students will be integrated into its activities.

We will share activities, experiences and spaces.

You have a special registration for guitar students.

## WHERE DOES IT TAKE PLACE?

In **San Vicente del Raspeig**, from **22 to 27 July**, a town located just a few kilometres from Alicante city and its beaches, connected by tram. ([Line 2 - TRAM](#)). It is easy to make an excursion to get to know them without the need for a car.

### We have divided the course into two venues.

The **main part of the classes**, which will take place **in the morning**, will be given by the [Instituto "María Blasco"](#), located just a few metres from the [VILLA Universitaria](#), where we will have the **accommodation and the rest of the activities**, such as the orchestra, the solo concerts, the lectures and so on..

It has a swimming pool, sports area, parking, laundry, ...*(Use of the swimming pool and car park is limited to those who have accommodation in the University Village).*

All services are available in the surrounding area: shops of all kinds, bars, supermarkets, health centre and tram stop.
