3rd International Suzuki Teacher Trainers Convention

Dear Worldwide Suzuki Teacher Trainers,

It is my great pleasure to welcome all of you in Matsumoto with 3rd Suzuki Teacher Trainers Convention, 13th to 15th October next year.

Every time I visit Suzuki Method in each region, I always feel your precious efforts and passion which contributed not only to the worldwide spread but also to the penetration into the countries/regions and cultures.

I sincerely hope that holding our convention in Matsumoto, the birthplace of Suzuki Method, would be the best chance to share and feel with each other our development and once again to return to “the origin of Suzuki” .

I expect many teacher trainers from regions will participate in this convention, and TERI teaches are very much looking forward to exciting time by the interaction with all of you.

Akira Nakajima, Chairman of the committee of 3rd International Suzuki Teacher Trainers Convention
