

Kristīne Rāviņa, Honorary Secretary, ESA

Kristīne Rāviņa is a SUZUKI™ Piano Teacher from Latvia.

Kristīne travelled to other countries in the ESA Region to study the SUZUKI™ Method as it had not yet been established in Latvia.

In 2013, the Latvian Suzuki Association (LvSA) was founded, Kristīne being one of the founder members.

Being involved in the process of founding a national Suzuki association and serving on the Boards of the LvSA and European Suzuki Association (ESA) has given Kristīne an in-depth knowledge and experience of how the SUZUKI™ Method is developed in the region.

In 2015, Kristīne was elected Honorary Secretary of the European Suzuki Association, serving as an Officer on the ESA Board.

Whilst being involved in various aspects of Committee work for the ESA, her key interest is in helping to connect those who are interested in the SUZUKI™ Method and providing guidance to those who are founding a national Suzuki association in their country.
