ITEMS FROM ISA VIOLIN COMMITTEE
The ISA committee is waiting for Alfred publishing to send the proofreading versions of the Mozart Concerti work that has been prepared and mostly finished by the previous committee. This means that the publishing of the violin book 9 & 10 has not yet progressed.
DEVELOPMENT OF VIOLIN IN ESA REGION
Some contact has been made with Suzuki teachers in Greece for restarting the National Greek Suzuki Association. This matter is now with the ESA office and Sue Bird (piano teacher trainer) who is following this up.
