<b>ESA RECOGNITIONS</b>
None
<b>PROJECTS</b>
<p>The Organ Online Teacher Training Course is now an all-inclusive package of instruction, contact hours, supervised teaching and exam.</p> <p>Information on the Organ TT Course has been sent to all Country Directors to pass on to organ teachers in their country.</p> <p>Gunilla Rönnerberg has contacted those teachers who took part in the online course without taking an exam and urged them to repeat the course and take the ESA exam.</p> <p>GR has put together videos about SUZUKI™ Organ Teacher Training with emphasis on the ESA Exam. These have been published on different channels over time.</p> <p>GR has contacted Suzuki Piano Teachers in Sweden enquiring if those that are also organists are interested in SUZUKI™ Organ TT Course. Also, to request to pass on the information about SUZUKI™ Organ to any organists they may know.</p>
<b>ITEMS FROM ISA ORGAN COMMITTEE</b>
<p>GR and David Clark PPSA (The ISA Organ Committee) regularly update each other via monthly e-mails.</p> <p>The annual meeting was held on 28 August 2022.</p> <p>GR has been in contact with the Chair of SAA during 2022 and recommended Jeremy Chesman (USA) both as a teacher trainer and as a member of the ISA organ committee. She has received a very good response and the work to implement this is underway.</p>

## ORGAN

### DEVELOPMENT OF ORGAN IN ESA REGION

GR has formed an Organ Development Committee for ESA to help with the development of the Organ throughout the region.

Members of the Committee are:

Gunilla Rönnerberg - Founder of SUZUKI™ Method Organ, ESA Organ Teacher Trainer, ESA Level 5 Piano Teacher (SWEDEN)

Robert Öhman - ESA Level 2 Organ Teacher, Organist and Director of 'An Organ Education' (SWEDEN)

Guðný Einarsdóttir - ESA Level 1 Organ Teacher, Organist (ICELAND)

Camille Haedt-Goussu - ESA Level 3 Piano Teacher, Level 1 Organ Trainee, Organist (FRANCE)

Víctor de San Martín - ESA Level 3 Piano Teacher, Level 1 Organ Trainee, Organist, Conductor (SPAIN)

The Organ Development Committee has had 3 meetings since it started in May 2022. GR is working on trying to create an EU project for the work of the development group with the help of an EU office in Hässleholm in southern Sweden.
