MORILLO DE TOU

It is a fantastic village at the heart of the Pyrenees Mountains where not only you will enjoy playing music, but also its breathtaking landscape.

Our Suzuki Course has limited places and it is addressed to families and Suzuki students, and teachers observers too.

Individual and in a group daily instrument lessons, orchestra, body percussion, choir, swimming pool, manual arts, outdoors activities, children's entertainment, library, water and free time activities, trips, solo concerts and final concert in Congres Palace of Boltaña.

You will be able to register and choose from different types of accommodation that the village provides; rooms with bathroom, hostel, campsite, detached house, bungalow and eco-bungalow.

Detached houses, bungalows and eco-bungalows could be shared between families and they come with a kitchen and kitchen utensils.

The village has a supermarket and traditional agriculture allotments where you could buy food and groceries. Also, only 4 kilometres away, there is Ainsa, a medieval-style village where we can find different shops, stores, businesses and health and first aid center.

The reservation of accommodation/meals will be made directly with the Town's address and is independent of the course, whose registration will be made separately.
