

# European Suzuki Association

## HARP DEVELOPMENT COMMITTEE (2015) Terms of Reference

### Goals

To spread the Suzuki Harp Method™ throughout Europe

- To guarantee the exclusive use of the Suzuki Harp core material in the ESA approved courses
- To further train Harp teachers also at the higher levels

### Deliverables

**5-year plan outlining** time frames for

- Teacher Training courses for Levels 3-5
- Instructor applications

### Tasks

#### To research

- What countries would be interested in hosting a Harp Teacher Training course
- What options the ESA would have to appoint further Harp Teacher Trainers from other regions to help with those courses
