

### 3<sup>rd</sup> INTERNATIONAL SUZUKI TEACHER TRAINERS CONVENTION in MATSUMOTO

Dear ESA Teacher Trainers,

It is already 3 years since we had a fruitful meeting in Madrid by ESA's perfect organization as a host region. It is our great pleasure to welcome worldwide SUZUKI teacher trainers in Matsumoto as a next host region on 13<sup>th</sup> -15<sup>th</sup> October ,2023.

Every time I visit Suzuki Method in each region, I always the feel precious efforts and passion of SUZUKI members which contributed not only to the worldwide spread but also to the integration of the Method into the life and cultures of each region.

I sincerely hope that hosting our convention in Matsumoto, the birthplace of the Suzuki Method, would be the best chance to share our development and once again to return to “the origin of SUZUKI”. I expect many teacher trainers from ESA will participate in this convention, and TERI members are very much looking forward to exciting times through the interaction with all of you.

Following this convention, TERI will offer interesting programs between 15<sup>th</sup> and 18<sup>th</sup> including interaction event, Dr. Suzuki memorial tour and invitation to TERI annual teacher conference. I hope many ESA teacher trainers will extend your stay and enjoy these additional pragmats.
