The European Suzuki Association Limited

Directors' Report for the Year Ended 31 December 2024

The directors present their report and the financial statements for the year ended 31 December 2024.

Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activity

The principal activity of the company continued to be a nonprofit organisation whose objects are 'to further the undertakings of Dr Suzuki's approach to education in Europe and in connection therewith, to facilitate contact internationally and particularly between Europe, America and Japan'.

The Directors are pleased to report that during the year from 1 January 2024 to 31 December 2024, progress has continued in fulfilling these objectives.

- The organisation's 27 member national Suzuki associations all continue to be active and most reported growth in the number of trained Suzuki teachers in their countries.
- The European Suzuki Association Limited (ESA) maintained its commitment to the training of teachers. Teacher Training programmes continue in most of our member countries and new programmes are being established in other countries.
- The ESA continued to publish a Teachers' Newsletter.
- The ESA continued to play an active part in international cooperation through its membership of the International Suzuki Association (ISA).

The European Suzuki Association Limited

Directors' Report for the Year Ended 31 December 2024

Other Activities and Achievements

Teacher Training remains at the core of the ESA's work.

Governance

The members of The European Suzuki Association Limited are the national Suzuki associations in the area of operation who have satisfied the membership criteria set out in the ESA's Bylaws and have been elected as members by the Annual General Meeting.

The ESA's area of operation has been defined by the International Suzuki Association (ISA), which has granted the ESA a licence to use the 'Suzuki' name and trademark in Europe, the Middle East and Africa. ESA has also been given the right to issue 'Name Agreement sublicences' to national Suzuki associations in these areas.

The Board of Directors consists of representatives from each of the national Suzuki Associations (Country Directors), plus elected officers. The Board of Directors nominates the following Officers Chair, Deputy Chair, Treasurer and Honorary Secretary and two Officers. All Directors are formally appointed by election at the AGM.

There has been increasing interest in becoming a member of the European Suzuki Association from the Middle East and Africa. Directors will be looking at the ways to ensure good governance of an organisation which is fast growing in numbers and geographical spread.

At the Annual General Meeting held on Friday 26 April 2024, the following changes were made:

Administration

The ESA's Administrator reports to the Officers on a regular basis, and the Board is kept in touch with any major developments that occur between meetings, which are usually held once a year.

The Administrative Office serves as a contact point between members and assists Board Members, Instrument Committees and Teacher Trainers in their work.

The ESA is committed to maintaining good communications with its own member associations and with Suzuki associations in other regions. The ESA website and central member database has helped to achieve this in providing a much improved source of information on the ESA, its Country Members, Suzuki Instruments, Events, News and Exam Results from around the Region. The search facility for 'Find a Teacher' is an important tool for parents. Teachers are finding the Members section useful for all ESA procedures and documents, as well as Articles written by teachers for teachers to establish a vivid platform of exchange and a rich source of information for all teacher members.

A steady flow of enquiries is received through the 'Contact us' form.

The Teachers' Newsletter is published once a year and is available as an eNewsletter on the ESA website.

An Administrative Assistant helps with the increasing workload of the ESA Office, being primarily responsible for the recording of exam results and the issue of ESA Certificates.

The European Suzuki Association Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 December 2024

1 General information

The company is a company limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the members is liable to contribute an amount not exceeding £1 towards the assets of the company in the event of liquidation.

The address of its registered office is:

26b Tesla Court
Innovation Way
Peterborough
PE2 6FL
England

These financial statements were authorised for issue by the Board on 18 April 2025.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A smaller entities - 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' and the Companies Act 2006 (as applicable to companies subject to the small companies' regime).

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

The European Suzuki Association Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 December 2024

Trade Debtors

Trade Debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade Debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Trade Creditors

Trade Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade Creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the profit and loss account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 0 (2023 - 0).
